

REMANUFACTURING
& DESIGN GROUP, LLC.

Professional refinishing, upholstery, barn doors, and modification services for the hospitality, university housing, and multi-family housing industries.

It's not just a project, it's your property

What We Do

Professional refinishing, upholstery, barn doors, and modification services for the hospitality, university housing, and multi-family housing industries. We specialize in the import, procurement and installation of hospitality related items such as LED's, stone, cabinets, vanities, sinks, hardware and fire rated doors from our global partners abroad.

- Refinishing/Refacing/Relamination
- Remanufacturing
- Redesign
- Modification

- Barn Doors
- Reupholstering
- Custom stone installation – We direct-import and install granite, marble, quartz and more
- LED's – SIMON Bulb light conversion

LED's by Simon

Simon

Why LED

- Green/Environmentally Friendly
- Energy Bill Savings
- Government Tax Advantages
- Consistent Color
- Greater Life-Span Than Traditional Bulbs
